LABOR DAY

**Labour Day is
celebrated on 1 May.
It is a public holiday.
Poles love to spend it
together with their
families and friends,
enjoying the May
Holidays so-called
"majówka"**

The background of the image shows a park scene with several trees and a wooden bench in the foreground. The text is overlaid on this scene.

Labour Day was first celebrated in 1890, when Poland was still under the rule of the partitioning powers. During the time of the Second Polish Republic (1918-1939), labour organisations and left-wing parties used to gather for marches and demonstrations on that day. After World War II, the communist government decided that 1 May would be a public holiday, which it is to this day. At the time of the Polish People's Republic, Labour Day parades were organised on 1 May.

Thank you mom, for all the
struggles you have been through.
May God always bless you with
happiness.

Mother's Day

Polish people celebrate Mother's Day. In Poland, Mother's Day is celebrated on May 26th. The date was chosen to honor the memory of Stanisława Leszczyńska, a Polish queen who died while saving her children from a fire. On Mother's Day, children give their mothers flowers and cards.

Families often spend time together, and some people take their mothers out for a special meal and celebrate the occasion.

CHILDREN'S DAY

The holiday is not moveable – it always takes place on 1 June, which luckily connects with the beginning of summer.

This is why Children's Day in Poland is often used as a camping or picnic opportunity and certainly should be celebrated

with a gift to your children or even the kids you know and keep in touch with on a regular basis. A new toy, book or a cinema outing is a must!

If your children are school - age, make sure you check the schedule in their Polish school beforehand - 1 June may be a day off classes, with some extra activities planned that may require your involvement or simply additional planning. What is more, in many places across the country, there are plenty of concerts, contests and after festivals in parks, shopping malls, entertainment centres etc. It is very likely to be celebrated throughout primary school.

1 June

A vibrant jungle scene with a large group of monarch butterflies flying in a circle against a blue sky, framed by lush green foliage. The butterflies are orange with black veins and borders, and they are flying in a circular pattern, creating a sense of movement and harmony. The foliage is dense and green, with various leaf shapes and textures, creating a rich, natural background. The sky is a clear, bright blue with a few wispy white clouds, providing a stark contrast to the green foliage and the orange butterflies.

SUMMER HOLIDAYS

The best places for holiday

Ksamil Beach on the Albanian Riviera (Alamy)

Albania's long seaside remains attractive — aided by the olive grove hills backdropping those golden bays — and it's sensationally affordable in European terms. Its two main resort towns are Durres and Saranda

BEACH

Côte d'Azur, France

The most fêted French Riviera locales — Cannes, Nice, Antibes and St Tropez — are as certain to be overcrowded during sun-soaked summers as locals are to be sipping chilled rosé

Tiny Slovenia has handsome cities — led by Ljubljana, whose centre is a car-free web of art-nouveau lanes — yet its countryside tempts most. That's thanks to plentiful pine forests and Lake Bled, where peaks and a castle loom idyllically over the pointy-roofed island chapel.

Slovenia

Bali, Indonesia

Famous for its wellness options, is an essential day trip, as are Mount Agung's 80 ornate temples.
